

## Forest Hill Hockey Association in Partnership with Canadian Tire Jumpstart

### 50 for 50!

In celebration of our 50<sup>th</sup> anniversary, Forest Hill Hockey Association (FHHA) has partnered with Canadian Tire Jumpstart Charities (Jumpstart) to sponsor 50 economically disadvantaged children to play organized community hockey. FHHA will pay the registration fee for the upcoming 2010-2011 season at a local league and Jumpstart will provide a scholarship for equipment up to a maximum value of \$300 to be purchased at no charge at a local Canadian Tire retail store.

Children in all divisions between the ages of 6 and 15 will be selected according to need, determined exclusively by income. FHHA and Jumpstart will rely on Statistics Canada's Low Income Cut-Offs (LICO), which designate an income threshold below which a family is likely to spend significantly more of its income on food, shelter and clothing than the average family spends (see below for thresholds).

<b>Statistics Canada's 2009 After-Tax Low Income Cut-Offs (for urban communities with populations greater than 500,000)</b>	
<b>Household Size (for families related by blood, marriage, common-law, or adoption). Do not include unrelated roommates</b>	<b>After-Tax Threshold</b>
2 persons	\$22,420
3 persons	\$27,918
4 persons	\$34,829
5 persons	\$39,660
6 persons	\$43,984
7 or more persons	\$48,308

If your after-tax household income falls under the threshold listed above for your family size, please send in an application for each of your children ages 6 through 15 who are interested in playing hockey.
