

2010-2011 LEARN TO PLAY REGISTRATION TIME!

The Forest Hill Hockey Association is a nonprofit corporation that provides an opportunity for children aged 4 to 18 to play house league and select hockey in their local community. Once again for the 2010-2011 season, we will be offering a complete hockey program every weekend from early October 2010 to end of April 2011, excluding the December school break.

LEARN TO PLAY REGISTRATION

Our Learn To Play Program is not for absolute beginners – kids need to have been on skates and should be able to at least move around the rink forwards by themselves and be able to take a couple of steps backwards by themselves. Enrollment is strictly limited to 40 players. In order to avoid disappointment, **please apply early!**

EARLY BIRD APPLICATION DEADLINE: May 31st, 2010. (See ACCEPTANCE PRIORITIES below)

LEARN TO PLAY PROGRAM FEES: \$400.00 with no discount available.

REGISTRATION INFORMATION:

Registration is *only* available online on our website. All players will need their Birth Registration Number located on their Birth Certificate. If you do not have a Birth Registration Number, you may use your Citizenship Number or Passport Number.

Payment of fees is processed immediately using your Visa or MasterCard. This is a fully secured service operated by Global Payments. Your credit card statement will display Forest Hill Hockey Association.

This year Learn to Play registration is handled by the Hockey Canada Registry. **You can start the process by proceeding to registration at the bottom of this page.**

ACCEPTANCE: Official acceptances will be sent via e-mail to the address provided on registration. Players not accepted will be contacted by e-mail as early as possible.

ACCEPTANCE PRIORITIES:

Returning Players: Returning players will have their places protected until the May 31, 2010 application deadline. We cannot guarantee a place, even to returning players, whose applications are received after that date. It is your responsibility to get your application in on time.

New Applicants: New applications received on or before the Application Deadline will be accepted based upon availability with first priority being given to the siblings of returning players. After allowing for returning players and their siblings, if there are more eligible new applicants than places, places will be allocated on the basis of a lottery conducted by the Registrar at the Association's acceptance meeting.

Late Applications: Late applications will be accepted on a first come first serve basis until all spaces are filled. In the event of surplus applications, waiting lists are maintained for each division.
